

The Bohemian @ Cash Only Bar

Becherovka, the no 1 Czech herbal liquor based on a secret mixture of over 20 herbs and spices that dates back to 1807, is a great souvenir from Prague.

Our recommendation? Grab a bottle at the airport as you fly home, and impress with this simple yet delicious mixed drink prepared by George Němec, one of the most famous faces of Prague's cocktail scene who happens to run great cocktail tours of Prague (look him up under @georgenemec on Instagram). You can try it before you buy it at the Cash Only Bar, the little sister of [Hemingway Bar](#) 59.

Ingredients

- 45ml Becherovka
- 20ml fresh lemon juice
- 15ml elderflower syrup
- 40ml pineapple juice, the best you can find.

Shake with ice. Pour over ice. Garnish with slices of cucumber. Open a book by Kundera. Read it. Apply for honorary Czech citizenship.
